# Benefits of Fiberglass

Thursday Pools Will Provide You With the Best Fiberglass Pool Available and Be a Resource Long After Installation

Fiberglass pools are elegant, durable and beautiful, but the surface beauty is just the beginning of the story. Here are just a few reasons why you would choose a Thursday Pools fiberglass pool:

- They're handcrafted by skilled artisans in a factory-controlled environment.
- Less maintenance and chemicals equals more free time for you.
- High-end design features like tanning shelves and benches.
- They give you low lifetime cost of ownership with no replastering.
- The surface and designs are pet-friendly with multiple entry and exit points.
- The smooth surface won't snag swimsuits or cause scratches.

\*Handrail, rope with floats, and safety equipment may have been removed for photography purposes. Thursday Pools requires its pools to be installed with a handrail and be in compliance with all federal, state and local building codes.
